

HEMPWOOD®

GAZETTE

WELCOME!

The news is out! We are super excited to have HGTV Star, Christina Haack represent HempWood® Natural Flooring.

After purchasing her new home outside of Nashville, TN, Haack heard about HempWood® and just knew she wanted to be a part of something meaningful, like HempWood.

"I love HempWood and am excited to be working with them! I am going to be working with them to develop inspirational design ideas, so stay tuned in the upcoming months!

INT'L BUILDERS' SHOW

Our team has been busy! In Orlando, Florida, we attended the [International Builders' Show](#), which is hosted by the National Association of Home Builders. The event had over 45,000 building experts in attendance. Overall, the experience at the International Builders' Show was highly recommended. We even go to meet HGTV Star and Designer, Breegan Jane at the event!

DEALER PROGRAM

Did you know that we offer a dealer program? As HempWood® Natural Flooring continues to take a foothold in the hardwood flooring market, we are always welcoming new flooring dealers. If you are interested in our dealer program, contact us at sales@hempwood.com TODAY! Flooring locations include [Good Wood Nashville](#), [Edwards Carpet & Flooring](#), and many more!

SPRING RENOVATIONS

The countdown is on for spring's arrival! March 20th is the first official day of spring, and we could not be more excited. As the weather conditions transition, we are continuing to ship orders. New flooring installs, custom cabinetry, accent walls, and sliding barn doors are just a few of the renovations our customers are completing this spring. Interested?
